St. Anne Family and Youth Ministry 2019 - 2020

ALL ARE WELCOME

Grades 3 to 6 Registration Forms:

Dearest Parent(s) or Guardian(s),

This is our Registration Package for Youth Ministry at St. Anne's parish. Please read it over carefully and see if you would like your child to be involved in our program. If yes, please fill out the registration form in this package, including all the information we require, making sure to include your signature.

Put your completed form along with the $25.00 registration fee in a sealed envelope or baggie and have your child bring it to their first meeting. If you would like to write a cheque, please make it payable to "St. Anne Youth Ministry."

Our meetings are held in the parish hall. All meeting dates and times are written on the calendar, it is the last page of this package. Be careful to read the calendar carefully so you will know which night to bring your child and if they need money or anything special for the event. All the times are listed as well as a brief description of what we will be doing that night. Some events include just parents or the whole family! You can get updates on Facebook: 'Ste-Anne's Parish, Tecumseh', for any last minute changes or cancelations due to bad weather.

When we go on trips, or have special events; sometimes there is a cost. The cost is always listed on our calendar on the day of the event. We ask that you please try and send the exact amount of money (if at all possible) as it is hard to find change for so many young people. This fee helps offset the cost of transportation and admission for trips or it is fund raising for our many parish family - youth ministry activities.

All programs, and events are very well chaperoned. We follow a written code of conduct that you may review on the next page. Safety is an issue; the children are not allowed to wander around outside once group is in session.

If you have any questions or concerns, please feel free to call , email, or reach us on Facebook any time. We are looking forward to seeing you and your child this year!

God Bless You! Yours in Christ,

Saint Anne's Youth

Children's Church Information

We hope your child will join us for one of our Children's Church groups! There are two different programs for each Mass (both 10 and 12)

We have a wonderful program for the 2 to 5(6) year olds which is held during the 10am and 12 noon Masses.

Leave your child with volunteer teachers in the Chapel basement for the entire Mass and pick him/her up when Mass has ended. Please note that this is not merely a babysitting service. The hour-long lesson, with a variety of activities, is based on the Sunday Gospel for that day. This program explains the main idea of the Sunday Gospel in simple language your child can understand. The story is reinforced with games, rhymes and simple songs. This is followed by a craft activity, which the children can bring home. (Sometimes there is a peanut free snack) This is a wonderful program for the per-school child, however, it is not suitable for children younger than 2 or older than 5(6).

AND; we have a dismissal program for both the 10am and the 12 noon Masses for the 6 to 12 year olds lasting approximately 20-25 minutes.

Emphasis is on the understanding of the Gospel that is read at Mass each week. The children are brought out of church by our teachers after the opening hymn and return during the offertory procession. They gather in the Chapel for their program. This group is taught by a group of volunteer teachers made up of teens and adults. We have included the use of video, movement, actions, singing and games to help make the experience fun and engaging.

We ask you to register your child for one of these programs.

We register the children so we can get an idea of how many to plan for. (We need to have sufficient materials and supplies on hand.)

There is only one form for all groups. Please fill out the other side of this sheet and place it on the foyer table or give it to your child to bring to their next class.

If you think you would like to volunteer as a teacher in one of our groups don't be intimidated by the fact that you may have never done this before. We have many experienced teachers who are willing to help you.

If you have any questions please don't hesitate to call me: Amanda JJankulovski (519-817-4742).
